Why do you want a table this year?

This year each Education Summit attendee will be given a "Tradeshow Passport".

- The way it works is simple: the attendee will visit each booth and ask a question about the sponsor's business. After their question is answered, the attendee will get their passport stamped by the sponsor. If the attendee has stamps from all the booths at the end of the tradeshow, they are then entered into a drawing to win prizes.
- Benefits to the Tradeshow Sponsor include:
 - an increased value for your time and effort
 - a deeper level of attendee engagement
 - a memorable experience for your attendees!
- Please note: each sponsor will need to provide a prize for the tradeshow drawing.
- Stamps will be provided for each sponsor (unless you would like to bring your own!)
